SUBSTITUTE FORM 1099 INSTRUCTIONS

NAME AND TAX IDENTIFICATION NUMBER (TIN)

INDIVIDUAL: Enter First and Last name EXACTLY as it appears on your Social Security Card. However, if you have changed your last

name, for instance, due to marriage, without informing the Social Security Administration of the name change, please enter your first name and both the last name shown on your social security card and your new last name (IN THAT

ORDER). For your TIN, enter your Social Security Number (SSN).

SOLE PROPRIETORSHIPS: Enter the owner's name on the first line; on the second name line you may enter the business name. YOU

MAY NOT ENTER ONLY THE BUSINESS NAME. For the TIN, enter both the owner's Social Security Number and the Federal Employer Tax Identification Number (EIN) if you are required to have one.

ALL OTHER ENTITY'S: Enter the name of the owner of the EIN or SSN exactly as originally registered with the IRS. The correct

TIN is the Employer Identification Number (EIN).

DO NOT ENTER AN SSN OR EIN THAT WAS NOT ASSIGNED TO THE LEGAL NAME OF THIS FORM

HOW TO OBTAIN A TIN

If you do not have a TIN, you should apply for one immediately. To apply for the number, obtain Form SS-05, Application for a Social Security Number Card (for individual), or Form SS-4, Application of Employer Identification Number (for businesses and all other entities), at your local office of the Social Security Administration or the Internal Revenue Service. Complete and file the appropriate form according to its instructions.

To complete Form W-9 if you do not have a TIN, check "Applied For" box in the space indicated in front, sign and date the form, and give it to the requester. For payments that could be subject to backup withholding, you will then have 60 days to obtain a TIN and furnish it to the requester. During the 60-day period, the payments you receive will not be subject to the 31% backup withholding, unless you make a withdrawal. However if the requester does not receive your TIN from you within 60 days, backup withholding, if applicable, will begin and continue until you furnish your TIN to the requester.

Note: Writing "Applied For" on the form means that you have already applied for a TIN OR that you intend to apply for one in the near future.

As soon as you receive your TIN, complete another form W-9, include your new TIN, sign and date the form, and give it to the requester.

FOR PAYEES EXEMPT FROM BACKUP WITHHOLDING

Individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding. Enter you correct TIN in Part I, write "Exempt" in Part II, and sign and date the form.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester a completed Form W-8, Certificate of Foreign Status.

IRS uses the numbers for identification purposes and to help verify the accuracy of your tax returns. You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 31% of taxable interest, dividend, and certain other payments to a payee who does not furnish a TIN to a payer. Certain other penalties may also apply.
